DAY 1... Departing Gray, we travel north through Tennessee into Kentucky for a 2 night stay at the **Galt House Hotel**, located in downtown Louisville. Dinner tonight before we enjoy a very interesting tour of the **LIGHTS UNDER LOUISVILLE**. **Louisville MEGA Cavern** will be transformed once again into an underground holiday light spectacular with a 30-40 minute ride through part of 17 miles of underground passageways, featuring double the lighted displays from last year. What a way to start our trip! **(D)**

DAY 2 ... This morning is a highlight, as we experience “KALIGHTOSCOPE” .. a one of a kind sensory exhibit of light, color, and artistry featuring the sights and sounds of Christmas. Over 6 miles of colored fabrics and 4 miles of rope and internal lighting adorn the sculptures within this 15,000 sq ft attraction. Find your way through the “Maze of Christmas Trees”, watch “Santa’s Midnight Flight” over the world, and walk through the “Gingerbread House”. Today, take in the activities in the hotel, see the New Kentucky Show next door, and in the evening enjoy “Colors of the Season” a holiday dinner show in the hotel. If you find the time you can also walk (trolleys also run) to the Louisville Slugger Museum & Factory, including Charlie Brown Christmas Exhibit (cost is \$10 or less depending on your age ~ the tour is 2 hours long ~ **this is not included in the tour price**) **(B,D)**

Join the hustle n’ bustle of Mistletoe Marketplace. Poke around in the KaLightoscope retail shop for a souvenir, as well as the arts and crafts show, where you will be sure to find the ideal gift from many local and regional artists. Enjoy choral ensembles singing holiday tunes as you kick back with a sandwich, salad or treat. Open daily 9am–9pm.

DAY 3 ... We return home full of Christmas cheer after a wonderful trip to Kentucky, the lights and attractions of Louisville, and great food and fun for all. **(B)**
