STAY AT THE TABLE

Building community in our fallen, broken world is messy. It is how God intended. So often we walk away from the table because of pride, hurt feelings, or unmet expectations, but we must commit to stay. We cannot fulfill the "one-anothers" of the Bible without each other. When we stay, we can expect growth, and we can expect the help of the Holy Spirit.

The moment you decide to stay and accept your people for who they are instead of trying to get them to change or wishing they were different...

- the moment you look for ways to serve instead of constantly expecting things from them.
- the moment you watch for opportunities to speak an encouraging word instead of questioning their every decision.

Might be the moment when you will see your family, your people, and your church changed!

WORD FROM PASTOR ADAM

Hey Church Family!

We had a great Easter Sunday! Thank you to all those who helped on Palm Sunday with the meal and Easter Egg Hunt. Thank you to the men who helped by preparing breakfast on Easter Sunday. Mystee, Vicky, and the choir for leading us as we worshipped through song. I believe the Lord was glorified in all that was done.

We start a new 4 week sermon series in the book of Habakkuk this month. Habakkuk faced many of the same questions and objections that we still face today: Where is God in the midst of injustice? Why doesn't God do something about wickedness and suffering? How can I still trust God when what I believe in my heart doesn't match what I see with my eyes? My hope and prayer is that we will be encouraged to trust God even we cannot see what lies ahead.

God Bless You Church Family!
