### A YIELDED FAITH

We are introduced to an unlikely character to model a Yielded Faith, but this Gentile centurion understood more about a faith that pleases God than many of the religious people of that day or even today. Luke 7 recounts the story of this centurion who realized he needed Jesus's healing touch to save his faithful servant. He also realized that he hadn't done anything to deserve Jesus's time. As Jesus drew near the centurion again showed his faith by demonstrating his unworthiness to even speak to Jesus. This bold expression of faith amazed Jesus and led to "I have not found so great a faith even in Israel." (vs.9) The centurion's yielded faith was a ready faith that withstood the trials of his chaotic season.

### WORD FROM PASTOR ADAM

Hey Church Family!

March has gotten here quickly!

I know many of you have gone through hard trials in the first two months of 2024. Please continue to trust the Lord. Know that you have a loving church family that wants to be a blessing to you and are praying for you.

We are just a few weeks away from Easter. I love Easter! I am looking forward to all of our special services: Palm Sunday, Good Friday Service, and Easter Services. Make special note that the Sunrise Service will be at 8 AM followed by breakfast, and the Worship Service is at 9:45 AM.

Over the next few weeks, we are starting a new sermon series, "The Gospel B.C.". We will be looking at Old Testament passages that foretell the coming of Jesus. My prayer is that it will prepare our hearts for Easter.

God Bless You Church Family!
